## *Foreword . . .*

**J**UST a year ago this Association was formed for the purpose of expanding the Shorthorn breed in Ohio. Prices ruled moderate at the first auction sale, but ten new herds were founded and many already well-established herds were improved as a result of the effort. This year, determined to carry on this useful promotion, the members of this association have redoubled their efforts. The cattle for this second annual auction are consigned from eight of the strongest herds in Ohio. Every animal is an individual of good type and all are backed by perfect Scotch ancestry. The entire offering has been inspected and every animal has been tested for Bangs Disease and Tuberculosis within 30 days of the sale. This is a sale YOU can afford to attend. Those who buy these cattle will have improved their positions in the Shorthorn industry.—Hal Longley of The Shorthorn World.
